

## Universities offering university transfer program (Undergraduate courses)

- Information included the transfer programs offered at the undergraduate level by Japanese national, local public and private universities which are available for international students.
- Courses which are exclusively for international students, regardless of his/her country of origin and nationality, are also available (Japanese students will also participate in the same course).
- Application information available for international students from specific schools (an overseas school which has concluded an exchange student agreement with a university in Japan, an affiliated school or etc), Japanese Government Monbukagakusho (MEXT) Scholarship students, international students who are dispatched by foreign governments and other types of specific students, is not listed here. Only information about applications which are also available for privately-financed international students is recorded.
- Certain portion of information in the column of date of implementation under item no. 10 is also included of schedules which are yet to be confirmed.  
You are advised to contact respective schools for updated information.
- Search for schools (graduate schools, universities and junior colleges)
